FOREWORD

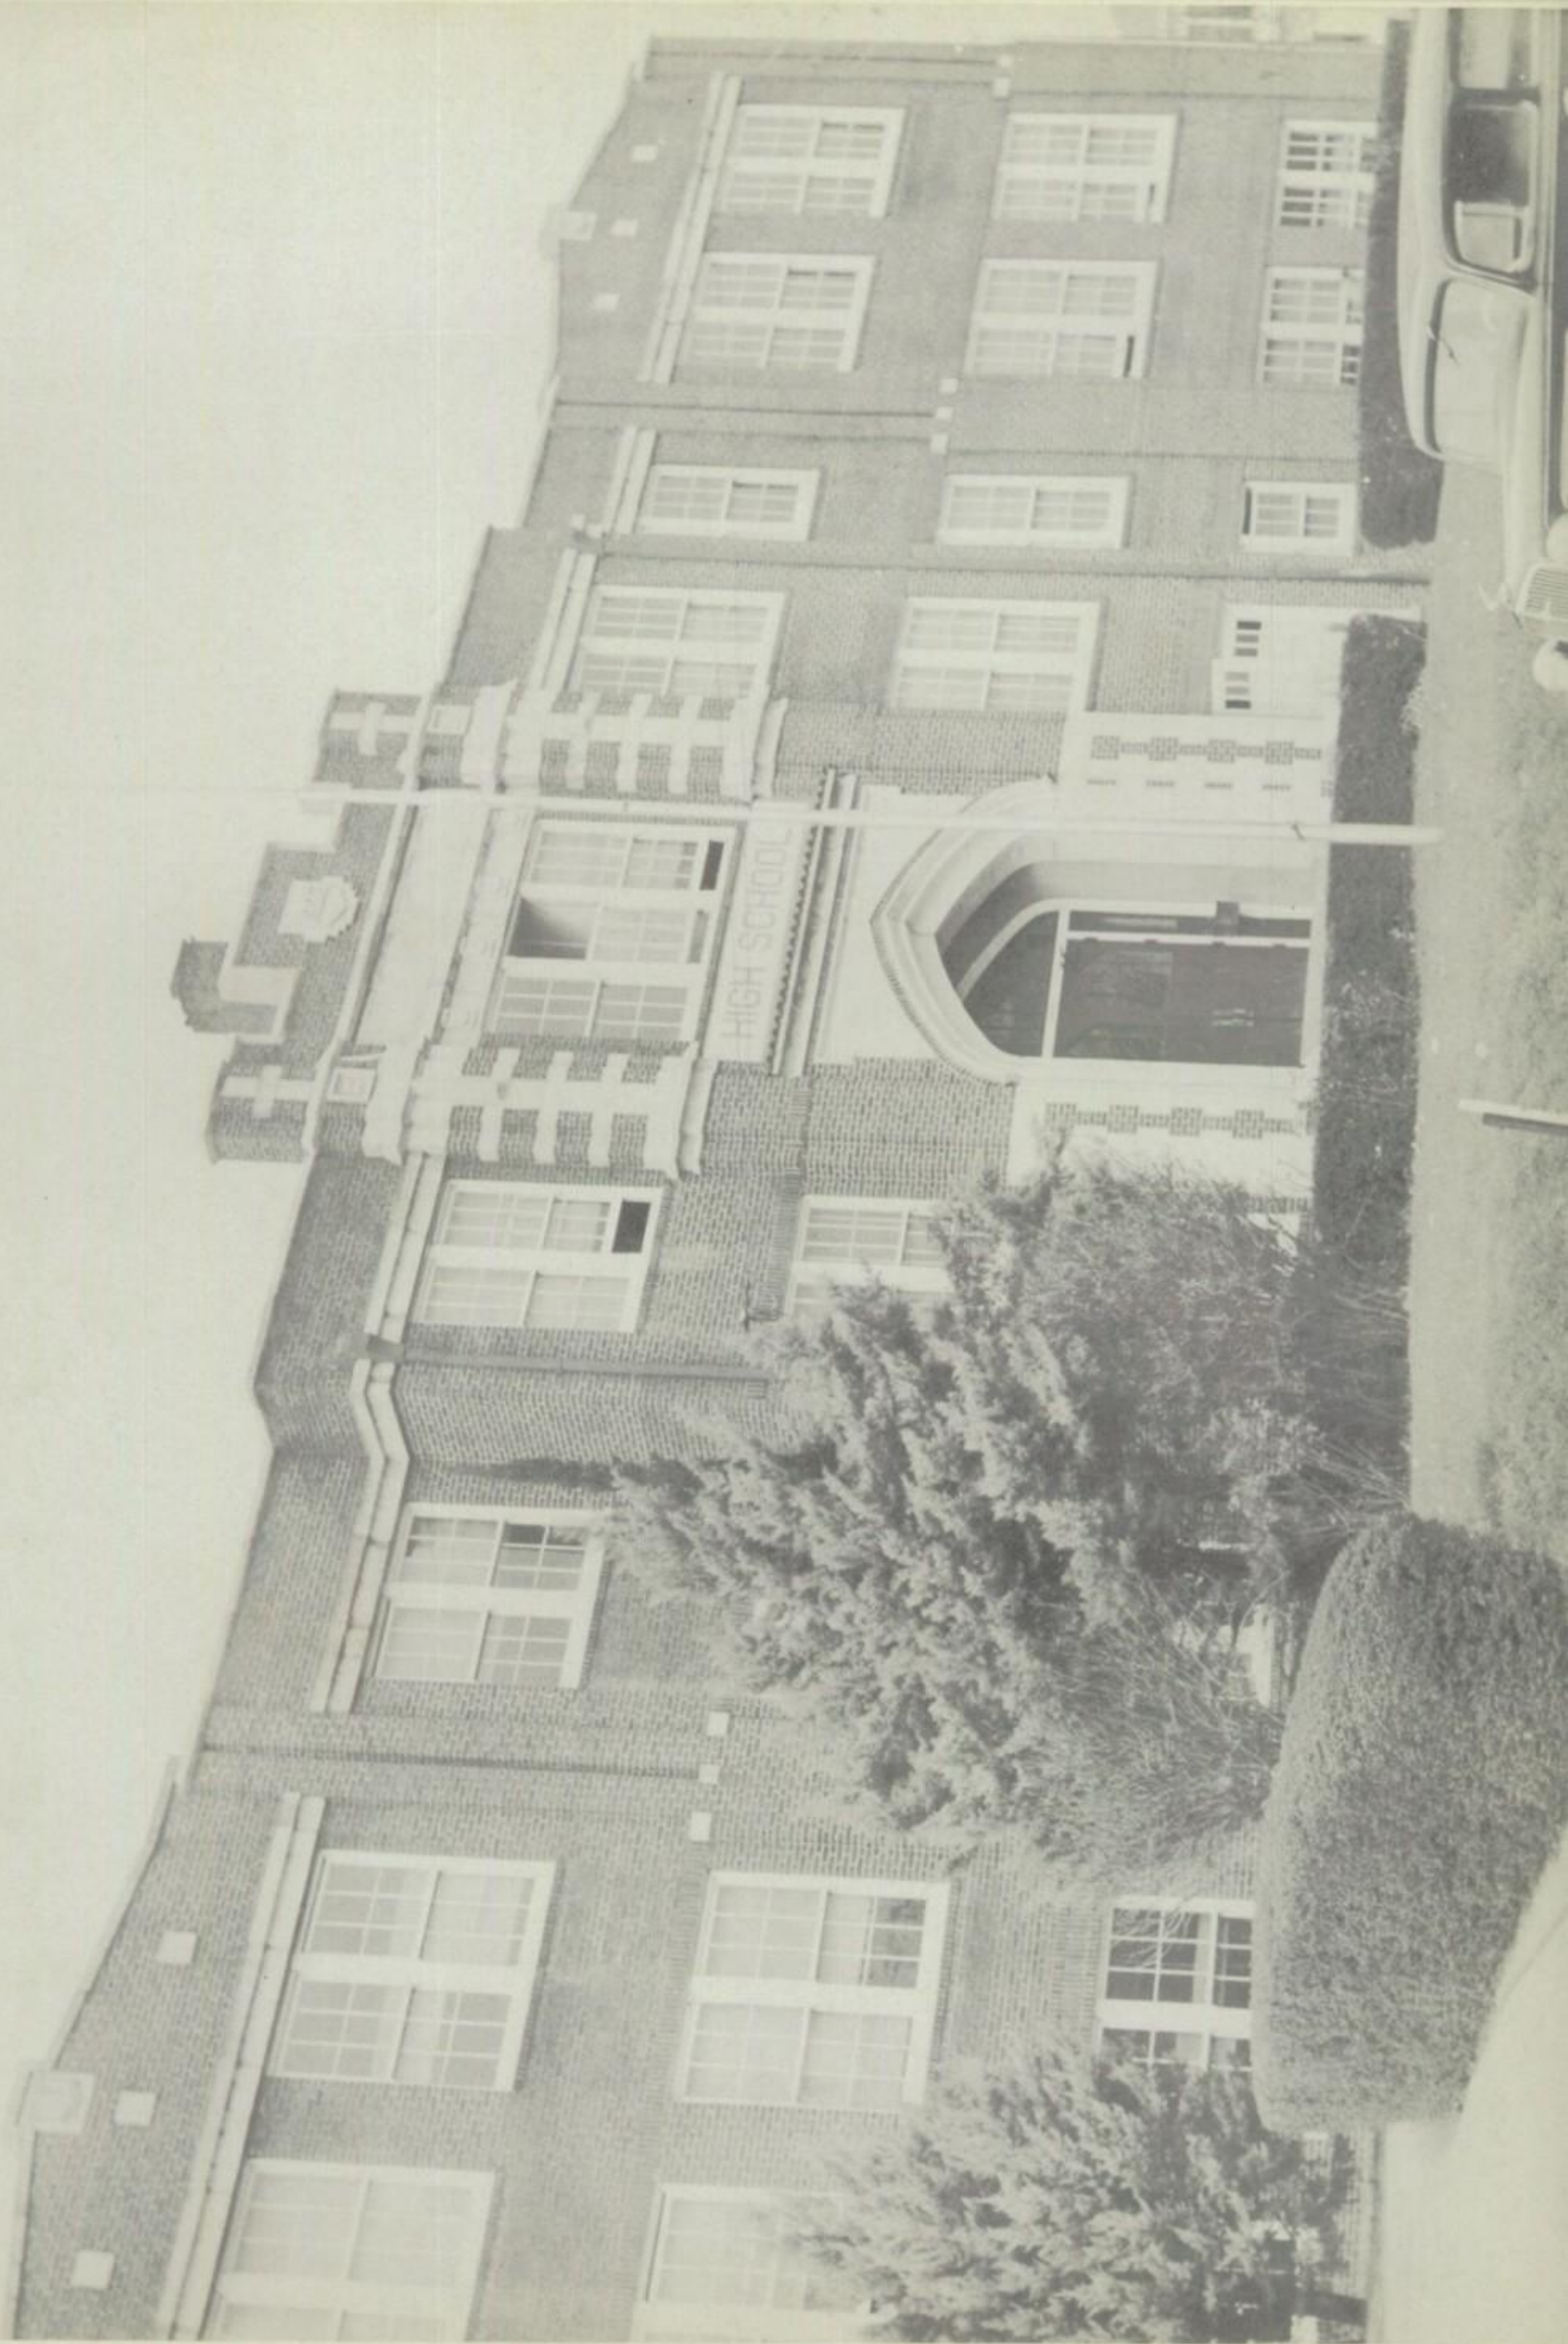

If to review these pages brings pleasant memories of your experiences in Greenville High School, our efforts shall not have been in vain. We have tried to give you an annual that is different. This has not been an easy task, but it has been done to the best of our abilities. We hope it serves its purpose as an everlasting memory of your high school career.

Because your loyalty made us love you; because your courage made us try to be like you; because your impartiality made us respect you; because your ability made us admire you—to you, “Mr. Ed,” we dedicate this annual.

TO THE SENIORS:

Greenville High School bids you adieu; happy to have had you for this short time, as an integral part of her life; asking that you keep in mind that the key to success is hard work and right living. Hoping that you will continue to bring honor to your school, your parents, and yourself. Through the years Greenville High School will be interested in your ultimate achievements.

Sincerely,

J. T. ROWNTREE.

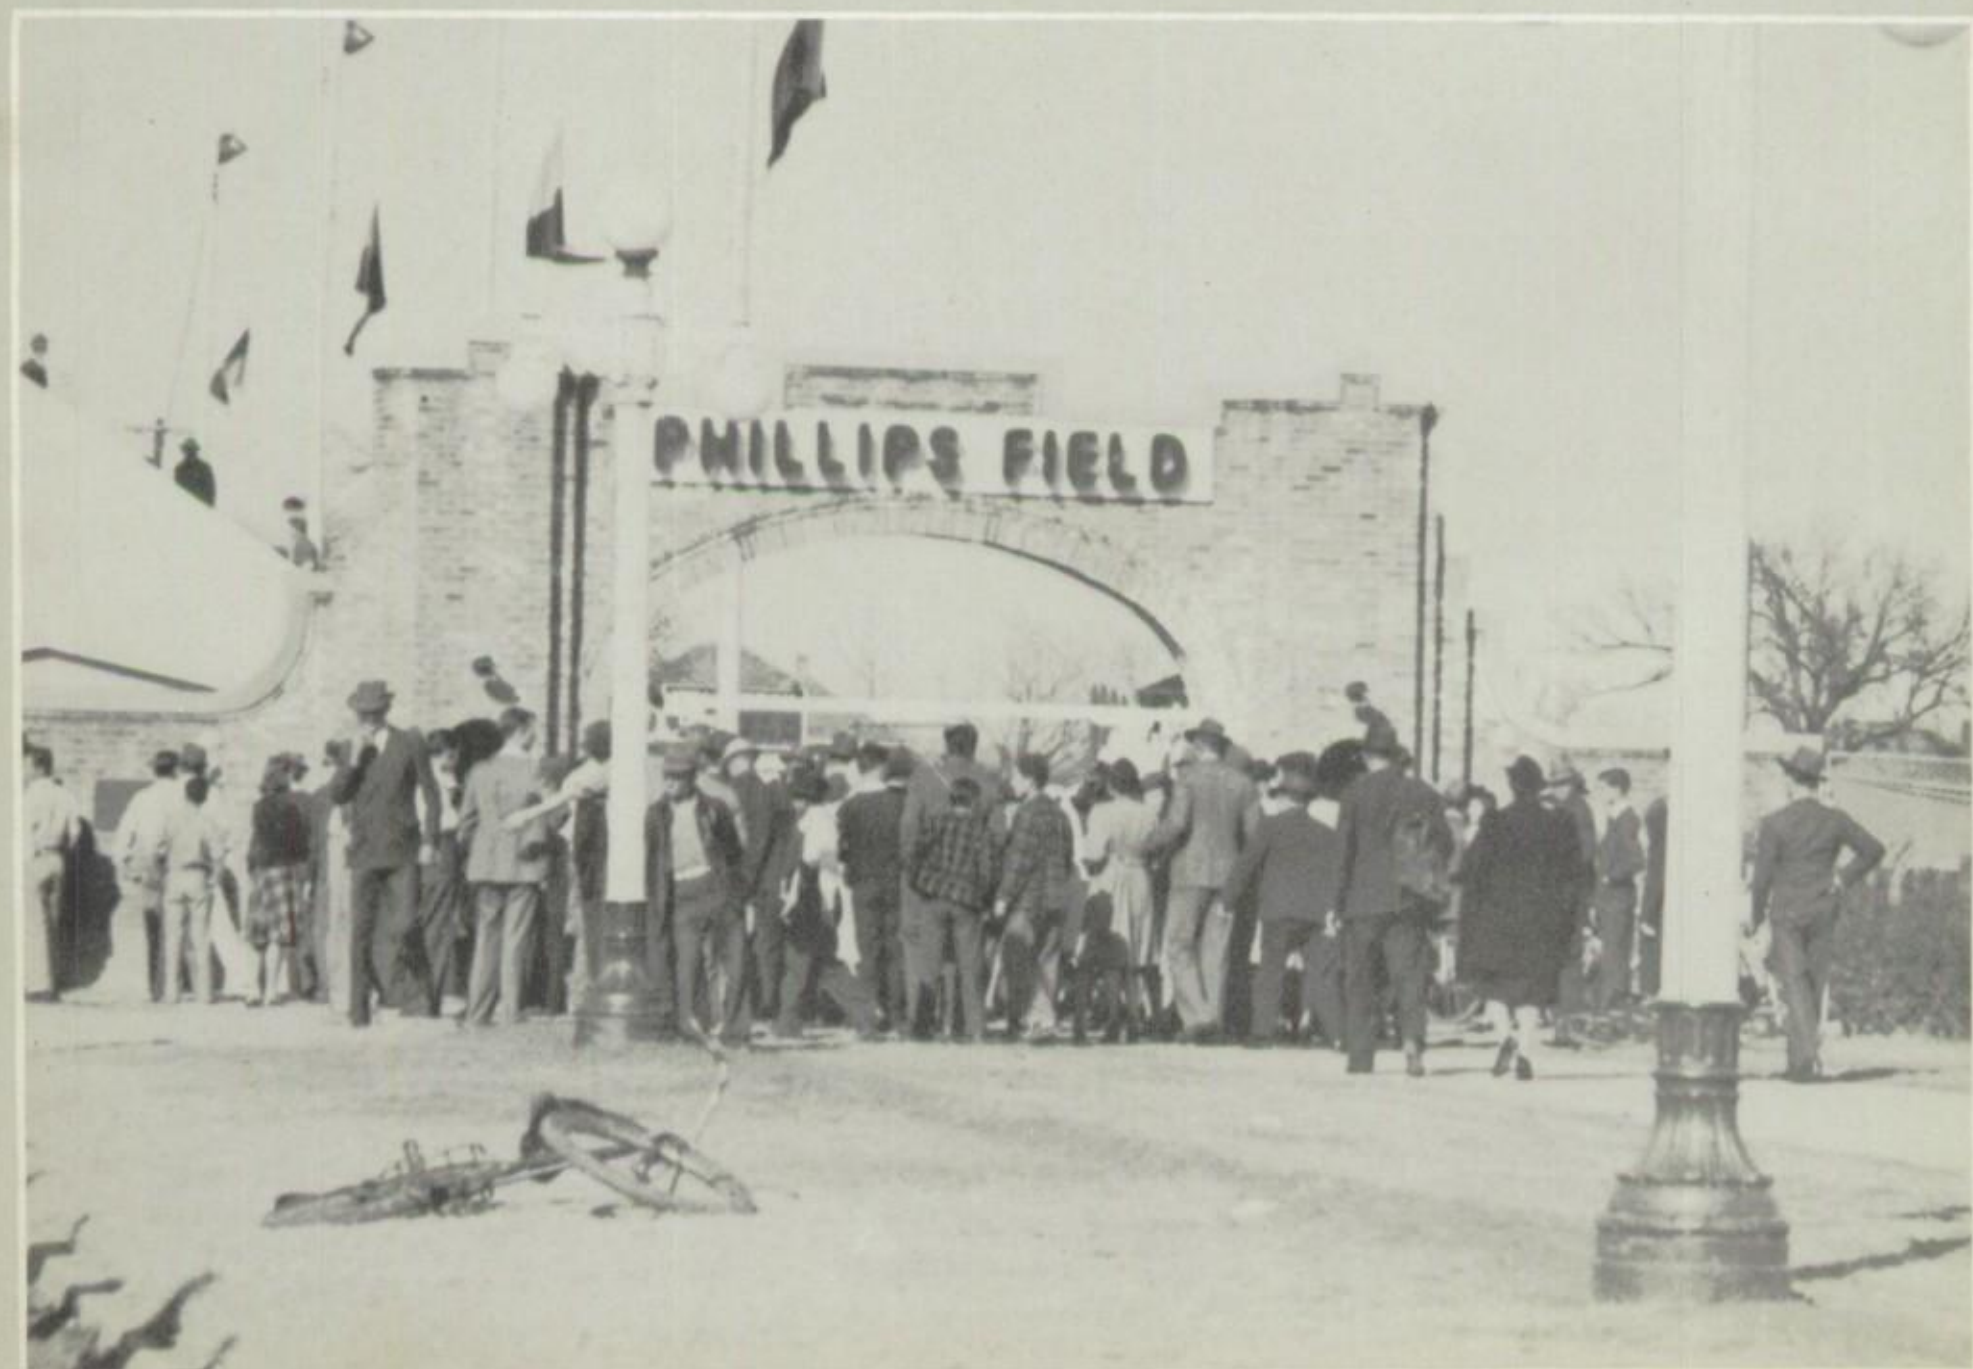

H. H. Chambers

H.H. CHAMBERS
SUPERINTENDENT

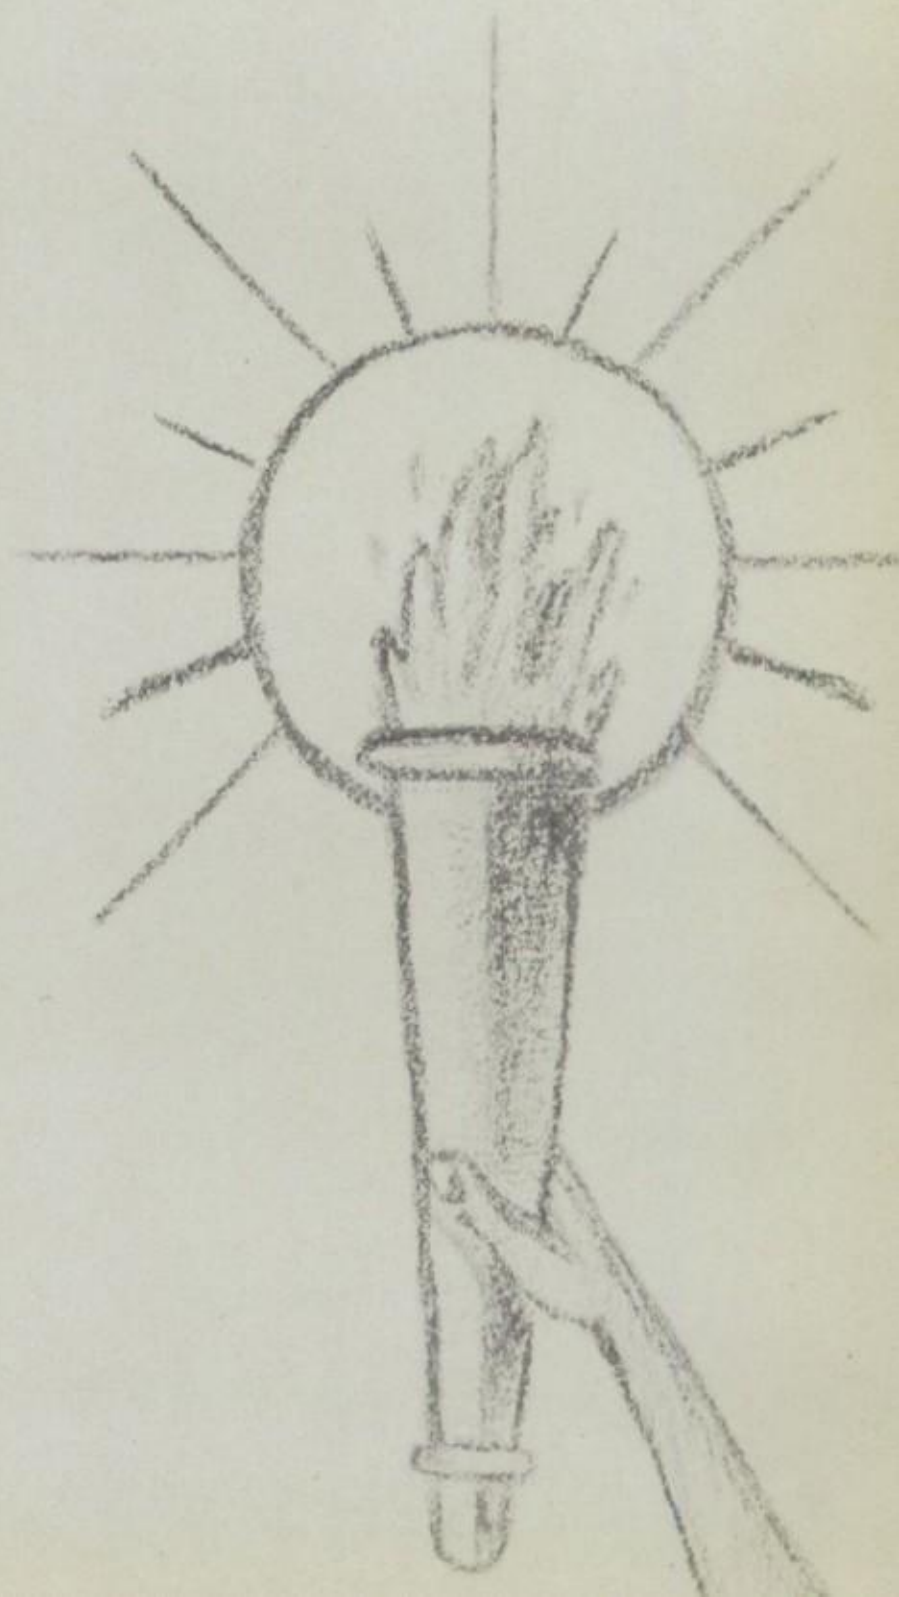

Our sincere congratulations to the largest senior class ever to graduate from Greenville High School. You have raised our standards to new heights of achievement which shall be a challenge to those who follow in your footsteps. Our parting wish is that you may continue to reflect credit to your Alma Mater and honor to yourselves by becoming worthy, patriotic citizens of a great state and nation. You have enjoyed the privileges and blessings of a free public school, it now becomes your responsibility and duty to see that the same opportunity shall be afforded to those who follow you. May happiness and success attend you through a long life of service.

Sincerely your friend,

H. H. Chambers, Superintendent
